

Anna Dee Olson Author, Inspirational Speaker

Make your next event an inspirational revelation...

Introducing a woman whose journey from Amish life brought her from the depths of despair to finding the love of God.

Anna Dee Olson has lived a life most have only seen in the movies. Having grown up in an Amish community where she lived a life of strictness and rigidity, where she was forbidden to use even the most common technologies that most Americans take for granted on a daily basis, she was taught that life was meant to be a struggle and that her difficulties were God's way of punishing her for her sins. Anna has faced difficulties that most will never experience, and now, she speaks about these experiences and uses the example of her life to inspire and motivate others to reach for their dreams and to believe in God's love.

Anna has spoken to groups from all walks of life at a variety of functions including:

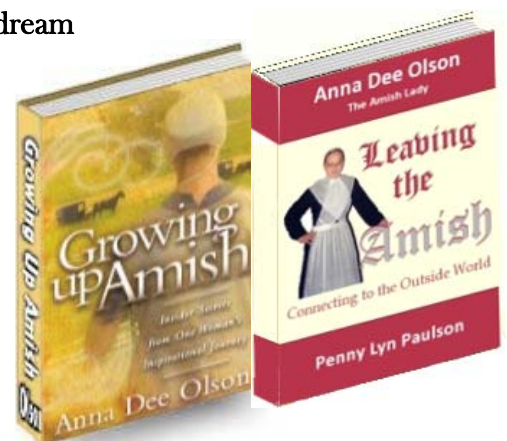

- Religious groups
- Medical personnel trainings
- College groups
- High school groups
- Corporate events
- Community education groups

Your event could be one that attendees remember for a lifetime.

Let Anna's journey inspire your group to:

- Conquer fear to allow them to live their greatest dream
- Disregard their inner negative voice
- Find their life's purpose

About Anna Dee Olson...

Anna Dee Olson is an accomplished author and speaker having published two books including Amazon.com's best-seller, "Growing Up Amish: One Woman's Inspirational Journey".

Anna spent her early years among the Amish, living in a rural Amish community until the age of 24, when she found the courage to leave the only life she had ever known behind.

Anna now lives in Minnesota with her husband of 12 years and their two children. She is living the life she always dreamed of living and through her books and speaking events, she encourages others to do the same.

"Thank you so much for coming to and speaking on "Growing Up Amish". Not only did you attract the largest crowd for any presentation that we have ever done, but also your presentation was absolutely one of the best ever. The 220 people that attended your presentation learned an enormous amount about the Amish culture and way of life. Thank you for sharing your experiences with us and for answering all of the questions posed to you with honesty and compassion."

"Anna Olson was the featured speaker at the Long Prairie zone Lutheran Women's Missionary League meeting. Anna shared her life's story about growing up in the Amish community. We have several Amish families in our area and the women were very interested in her experiences. We had triple the usual attendance and we credit Anna for that. Be sure to read her books and listen to the CD's to learn about this unique experience."

Rita Decker, Long Prairie zone LWML president.
